AAAA-AAA PLAYOFFS MEETING IS WEDNESDAY

The Roy Hobbs Advisory Committee will meet at 1:30 p.m. Wednesday at Roy Hobbs World Series headquarters to determine the set up and seeding for the AAAA and AAA playoffs.

Although 12 managers have been invited to participate on the committee, any interested managers are welcome to come and be involved too.

The Committee will determine the 8 teams that remain in AAAA, and then review all teams from the general pool that are 3-1 or 4-0 to determine the 4 teams from the Pool that will advance to the double-elimination AAA playoffs.

The seeding and scheduling announced late Wednesday afternoon at the headquarters, posted there and on royhobbs.com as well as being put on the Roy Hobbs Schedule line.

The Friday pairings for the non-AAAA/AAA playoffs will be announced Thursday night at the Pairings Party, which will be held at Bahama Breeze Restaurant at the corner of U.S. 41

and Six Mile Cypress Parkway, about 5 minutes from Lee County Stadium.

The party will start at 7 p.m. and the pairings will be announced about 8 p.m. There will be more details on that in Tuesday's Inside Pitch.

Pitching

For the record, here is a repeat of what was said Saturday evening about pitching eligibility for the playoffs.

Roy Hobbs requirement is that all pitchers who will be starters or closers in save situations (3-run or less difference in the 8th and 9th innings) qualify for the playoffs by pitching at least 2 innings during pool play.

This is a reminder to all managers that all pitching statistics need to be updated through the first 4 games by noon Wednesday.

When playoffs begin Thursday or Friday, all managers will be supplied with a list of pitchers eligible to start-close.

Finally, in the playoffs, those "non-qualified" middle-inning pitchers will come to the mound from their normal defensive positions where they started the game. That is important as the "spirit of the rule" is that these *non-qualified* pitchers

who are used as "inning-eaters" are players who ordinarily are playing other positions.

Just a reminder to Managers to enter their statistics after each game on line.

The program will give you cumulative totals for all your games, and Roy Hobbs will be checking those on Wednesday morning to produce pitching data to determine which pitchers will be eligible for starting-closing roles in the playoffs.

Team photo plan

Just a reminder that if any team wants to get signed up for the photo plan this week, the manager should call Greg Wagner at either 239-277-3100 (office phone) or 239-898-8677 (cell phone) any time on Monday in order to get on the schedule for Tuesday, Thursday, Friday or Saturday.

BIRDS OF A FEATHER FLOCK TOGETHER

By **TOM MOORE**

Roy Hobbs Baseball

What do Tomatoes and Woodpeckers from Chicagoland have in common?

Usually not much unless they are an amateur baseball team(s) ...

The Chicago Tomatoes from last year's Roy Hobbs World Series have undergone a name change for this year.

Why the change and why the name that draws some remarks ... some not exactly printable in a family publication.

Seems the Tomatoes from last year lost a lot of players and in looking around their Chicago League, Jeff Massaro, who had a lot to do with the change, found that a bunch of players from the Woodpeckers were looking for a new team.

Jeff says the old Woodpeckers got no respect in the league because they had no superstars, only a bunch of guys who loved to play baseball. (And what else would they need?)

So the Tomatoes added the Woodpeckers and since they had to get new uniforms (seems the Tomatoes that quit took their uniforms with them) it was decided to change the team name and get uniforms with "Woodpeckers" on them.

The newly named team came in third in their Chicago league this year. So they are off to a pretty good start.

In their initial Series game Sunday, they lost a close one, 3-2 to the Ft. Myers Hooters.

So, at least for a day, Owls are the king of the roost!

Drink water

It appears that this week's hot spell is going to continue.

This is just a reminder that with the heat and the humidity that everyone needs to stay hydrated. The heat is sneaky. Don't let it sneak up on you.

Everyone needs to keep drinking water before games and throughout games. Once you get into a heat problem, you cannot make up the lost fluid in a hurry, and it takes time to replace a body's fluids once they are depleted.

Vendor Sales

Roy Hobbs is creating a vendors area on the concrete pad next to the Lee County Stadium batting cages.
