

# ROY HOBBS INSIDE PITCH

**MONDAY**  
NOVEMBER 15, 2010  
55s, 60s, 70s  
DIVISIONS

## PLAYOFFS MEETING IS WEDNESDAY

The Roy Hobbs Advisory Committee will meet at 5:30 p.m. Wednesday at Roy Hobbs World Series headquarters to determine the set up and seeding for the Legends Division AAAA playoffs.

Any interested managers are welcome to come and be involved.

The Committee will determine the 8 teams that become AAAA.

The seeding and scheduling announced Wednesday evening at the headquarters, posted there and on **royhobbs.com** as well as being put on the Roy Hobbs Information line: **239.533.7694**.

The Friday pairings for the non-AAAA playoffs will be announced Thursday night at the respective division's Pairings Parties.

Following the party, approximately 8:30 p.m., the pairings will be uploaded to **royhobbs.com** and be available on the tournament phone system: **239.533.7694**.

### Pitching in the playoffs

Roy Hobbs requirement is that all pitchers who will be starters or closers in save situations (3-run or less difference in the 8<sup>th</sup> and 9<sup>th</sup> innings) qualify for the playoffs by pitching at least 2 innings during pool play.

This is a reminder to all managers that all pitching statistics need to be updated through the first 4 games by noon Wednesday.

When playoffs begin Thursday or Friday, all managers will be supplied with a list of pitchers eligible to start-close.

Finally, in the playoffs, those "non-qualified" middle-inning pitchers will come to the mound from their normal defensive positions where they started the game. That is important as the "spirit of the rule" is that these *non-qualified* pitchers who are used as "inning-eaters" are players who ordinarily are playing other positions.

Just a reminder to Managers to enter their statistics after each game on line.

The program will give you cumulative totals for all your games, and Roy Hobbs will be checking those on Wednesday morning to produce pitching data to determine which pitchers will be eligible for starting-closing roles in the playoffs.

### Please help with dugouts

Roy Hobbs Baseball and the grounds crews need your help in the dugouts.

Several dugouts were left essentially "trashed" after Sunday's games.

When your games are over and you are leaving the dugout, please police it for trash and cups, etc. Your assistance in cleaning up the dugouts each day will be greatly appreciated.

### Legends (55+) Pairings Party Update

The site for the Legends Division Pairings Party will be at **Stevie Tomato's Sports Page** (11491 S Cleveland Ave) at 7:00 PM. There will be food, raffles and door prizes. As well, we will announce Thursday's matchups and playing sites. This is the first place to find out that information. It will be posted on **royhobbs.com** and on the information hotline (**239-533-7694**) after it is announced at the pairings party.

### Classics (60+) Pairings Party Update

The site for the Classics Division Pairings Party will be at **Potts' Sports Cafe** (6900 Daniels Pkwy - in the corner of the Publix Plaza) at 7:00 PM. There will be food, raffles and door prizes. As well, we will announce Thursday's matchups and playing sites. This is the first place to find out that information. It will be posted on **royhobbs.com** and on the information hotline (**239-533-7694**) after it is announced at the pairings party.

## TIMELESS MANAGERS REFINE STEALING RULES

Timeless Division managers met with Roy Hobbs Baseball Sunday afternoon and established the 2010 RHWS stealing guidelines for their division.

The managers and Roy Hobbs Baseball reached a unanimous accord to do the following on stealing:

1. Prohibit stealing of second base and home, while maintaining the current passed ball/wild pitch advance guidelines. Runners attempting to steal second base will be called 'out'.
2. Allow unlimited stealing of third base.
3. Hit and run type plays with a runner at first base will be governed by the provision that the runner may take a lead, take a secondary lead upon delivery of the pitch but must stop and return to first base if the batter misses the pitch.

Photo by Greg Wagner  
DHBA Athletics runner steals  
second vs. Rhode Island

4. Pitchers are still required to pitch from the stretch with runners on first base.

"Roy Hobbs Baseball desires to keep the rules of baseball in tact as much as possible," said Tom Giffen, tournament director and RHBB President.

"There is a delicate balance here between keeping stealing bases alive in the World Series for the Timeless Division while, at the same time, not turning every walk, HBP and error into a double," he said.

"Stealing third base keeps stealing in the game, and it also keeps catchers making plays on runners a reality as well.

"The Timeless Managers debated several ways to do this and came to the conclusion that allowing stealing of third base would accomplish all goals simply and efficiently," Giffen said.

## NOTEBOOK

*continued from page 1*

### Glove repair

David McLaughlin is the Roy Hobbs World Series glove-repair specialist.

He will be stationed at the Lee County Complex, and his hours are:

Sunday, Monday and Tuesday at the Roy Hobbs Gear bat table.

Wednesday thru Saturday, on call at 941.979.2030 ... he will make arrangements for you to drop your glove off at the World Series Headquarters and he will set up pickup and delivery service.

On the on-call, David plans on 24-hour service.

### Drink water

Things are getting warmer as the week goes on.

This is just a reminder that with the mid-80s heat and the humidity that everyone needs to stay hydrated. The heat is sneaky. Don't let it sneak up on you.

Everyone needs to keep drinking water before games and throughout games. Once you get into a heat problem,

you cannot make up the lost fluid in a hurry, and it takes time to replace a body's fluids once they are depleted.

### Raffle time ...

There are several raffles going on during the 2010 Roy Hobbs World Series.

❖ A chance to win the opportunity to participate in the 2011 Oakland A's / Seattle Mariners Fantasy Camp at Papago Spring Training Complex in Phoenix, January 14-20. Tickets are \$10 each. The prize is donated by Henderson Baseball Adventures, and the Roy Hobbs Foundation receives the proceeds of the raffle. The drawing will be held November 18, 2010, at the Legends Division pairings party.

❖ A chance to win an opportunity to attend the Wood Bat or Spring Training Cactus Classic events in Tucson next February. Tickets are \$5; proceeds benefit the Roy Hobbs Foundation. The drawing will be held weekly on Friday before the 2 p.m. playoff game at Lee County Stadium.

❖ A 50/50 raffle, also benefiting the Roy Hobbs Foundation, is on-going at Lee County Stadium ... you can

*see NOTEBOOK on page 3*

## Classics rewrite their rule book

In conjunction with the Classics Division managers, Roy Hobbs Baseball rewrote the Classics Division playing guidelines at the Managers Meeting on Saturday evening.

Perhaps it is more accurate to say that the delete button was pushed repeatedly.

To wit, the Classics Division eliminated:

1. All courtesy runners – will use only shared lineup guidelines.
2. Eliminated all passed ball/wild pitch runner advance rules, making the ball live in all situations involving pitches that get away from catchers, and allowing runners to score from third on passed balls and wild pitches.
3. Eliminated the mandatory play rules, placing the burden of playing time on managers so as to keep players happy.

“We are glad to see those rules gone in this division,” said Roy Hobbs President Tom Giffen. “There’s no question we should have this several years ago, but now it is done, and it was good to see all the managers on the same page.

“I think it is fair to say the decision was unanimous,” he said.

## NOTEBOOK

*continued from page 2*

get your tickets at the same time you pick up your T-shirt and visit the Pro Shop on the Concourse. Tickets are \$1 apiece or 6 for \$5.

The Roy Hobbs Foundation was established to raise monies for research on finding a cure for Leukemia and to assist our Challenged Athlete friends.

### Player ID cards

Just a reminder that all players must have their player I.D. cards with them at games.

No card, no play, and Roy Hobbs reserves the right to do card checks at games. Players without their ID cards will not be allowed to continue to play and will be required to bring his ID card to the Tournament Director or Site Manager before being allowed to return to the playing field.

Replacement cards are available at the Roy Hobbs Headquarters. Bring a photo ID to verify identity, and the fee is \$5.

So, please don't lose the card and please keep it with you.

### Picking up T-shirts ...

The tournament T-shirt is available for all registered players outside the main concession stand near the Roy

Hobbs Store on the Concourse at Lee County Stadium.

Hours to pick up the Tournament T-shirt are from Noon to 6 p.m. With the shirt, each player will get their tournament patch. Exception is Wednesday when concessions are closed.

Players will need their RHWS ID card to get their shirts – No drivers licenses needed.

## Vendor Sales

Roy Hobbs is creating a vendors area on the concrete pad next to the Lee County Stadium batting cages.

Currently, bat vendors are setting up there, along with the Massage therapists.

The site was chosen to accommodate hard goods vendors, especially so that bat buyers would have a place to swing and get the feel of the merchandise.

It should be noted that Vendors are prohibited from selling bats or other merchandise from trunks of cars, in parking lots or at the playing fields, either in the stands or in the dugouts.

## 10-, 15- & 20-year recognition

Have you been at the Roy Hobbs World Series 10 or more years?

If so, Roy Hobbs has a recognition pin for players with 10 or 15 or 20 years at the Tournament. See Todd, Tony, or Tom at RHWS headquarters to get your pin.

## Results corrections

Please check the posted results and standings each day.

Managers should contact Rob or Adam at Tournament Headquarters (239.533.7694) with corrections to scores.

That's the best way to make sure that seedings and pairings are accurate.
